

Human Resources Consulting Services

Leverage your investment in your people.

Strategic Talent Management has found that our clients have the need to establish reliable, timely, and cost effective support in solving day-to-day people challenges. This program was designed to provide our small to mid-size business clients access to HR support on a monthly retainer basis.

Features of this program include:

/// Assistance with common HR challenges:

- Placing the right people in the right position
- Policy development
- Employee handbooks
- Interview coaching

/// Access to consultation on:

- Employee performance issues
- Employee communication strategies
- Managing remote workers
- Recruiting strategies

/// Complimentary services:

- Access to STM resources (tools, techniques, videos, etc.)
- Updates to your Culture & Management Report
- Periodic employee surveys
- Regular check-ins
- Exit interviews

/// 5% discount on products and services:

- Assessments
- Recruiting
- Culture & Management Studies
- Formal coaching
- Succession planning
- Training programs

Contact Strategic Talent Management today to discuss your HR support needs and how we can help solve your people challenges.
